- C. The Regional 3D was last month. We had 3 archers there.
- D. The Regional Indoor is 11/3 and 11/10. Looks like another club may win the regional competition this year.
- E. The City will be working on the drainage along the driveway during the next two weeks (from the practice range to the parking lot). They will be regrading the V-ditch and adding riprap at the erosion cut. They will keep the driveway open for pedestrians.

3. Election

Solicited for nomination. Larry nominated Erick Sturm for 1st VP. Rob agreed to backfill Erick on the Board.

Election by voice vote for the full slate. Passed.

4. Old Business

Bad Boys of Branciforte 2019

- A. We had 53 archers
- B. Thanks to Erick for cooking.
- C. We cleaned out the animal shed. 6 or 7 critter factory animals were adopted by good homes.
- D. Shoot scores are posted on the website.
- E. Larry recommended that for future open shoots, we not have club members compete against guests (home range advantage). We would have a separate class for members. Discussed trying that at the spring shoot.

Boo Shoot on Sunday 10/27/2019

- F. We had 16 archers (only one in costume)
- G. For future 14-animal shoots, we'll increase the base fee from \$5 to \$10.

Santa Cruz Archers November 3, 2019 Meeting Minutes

Holiday Pot Luck

- H. Sunday, Dec 8
- I. Novelty shoot at 1:00, dinner at 3:00
- J. Robyn ordered order tables, chairs, linens.
- K. Discussed having an auction, maybe to raise funds for a bridge replacement. Looking for donations and ideas. Gabrielle moved that the club budget \$300 to buy some prizes, seconded by Mark. Motion passed. Mark and Gabrielle will coordinate purchasing.

Fall League update

- L. The current league is progressing fine. One hiccup due to the power outage.
- M. The dates for winter and spring leagues may need to be updated on the website.

Outdoor Bale Replacement

- N. Bulldog Targets were installed on 5, 13 and 17. Two left will go on 3 and 4?
- O. Tyson mentioned that Target 4 gets walk-on archers via the golf course, so it sees extra wear. Better to use straw bales for that one, so the other bulldog can go on 12 or 20.
- P. Targets 1 and 15 need super bales.

Road/pothole repair

- Q. Tyson was going to pick up some cold patch for temp repairs.
- R. Defer this item until the City work is complete.

Carport for Picnic Area

- S. Need to measure the site and place an order.

5. New Business

Generator for the Indoor Range

- A. Does the club want to purchase a generator or a supply of lanterns for power outages?
- B. Discussed it and decided that it's impractical to have a genset that's only used a few times a year.
- C. Agreed it would be prudent to install a plug and transfer switch so we can bring in a generator when needed.
- D. Gabrielle will look into what it takes to have that work done.

Santa Cruz Archers November 3, 2019 Meeting Minutes

Constitution and By-laws update.

- E. Don M. mentioned that some of the bylaws seem out of date and should be updated. Gabrielle agreed that there are items that need to be updated.

- G. For reference, the last by-laws update was April 2009.
