 - 3.1.2. Outdoor Groups are recommended to be 4 persons or fewer.
 - 3.1.3. Scheduled public group events and classes are still suspended.
 - 3.1.4. Please wear masks when shooting the outdoor range and there are more than one family/isolation groups shooting at the same time. It is your decision IF you are fully vaccinated.
 - 3.1.5. CDC guidelines still call for masks and social distancing outside if not all vaccinated. County Park guidelines allow for 15% occupancy for indoor Parks and Rec venues. However, remember there is NO ventilation in the indoor range. I would suggest no more than 1 instructor and 4 guests with ALL wearing masks.
- 3.2. 3D in the Redwoods Shoot, Sunday, June 6
 - 3.2.1. We had 82 archers registered, though more attended (seems there was some pent-up demand)

the old logo as a possible choice, Mark agreed that it seems fair to allow people to choose not to change the logo.

4. New Business

- 4.1. Shared Adventures (Henry): shared adventures put on largely outdoor events for handicapped persons, and have been running a paralympic sports club for 4-5 years. Now that we are coming out of covid Shared Adventures has reached out and has members that want to shoot. This would dedicate the 3rd Saturday of every month from 9-12 with a 1-2:30 lesson the same day. Don is asking when it is appropriate to resume these shoots and lessons given the current covid conditions. It shouldn't be a problem to shoot outside for some, but there are newbies who need the indoor range during the aforementioned times. A number of level 2 coaches/instructors would be needed to help run this. Andy suggests discussing this at the board of directors meeting.
- 4.2. Logo Change Submissions: Gabrielle forwarded Marks Google Doc with submissions, please turn in any designs you would like to see featured.
