## OUTDOOR SHOOTS

Outdoor Shoots (second Sunday of any month) are by arrangement/request. We need three archers to have an official shoot. Email [scarchers@comcast.net](mailto:scarchers@comcast.net) if you want to shoot it.

## INDOOR KEY CHANGED

We have changed the lock on the indoor range. If you have range keys, please come to the club meeting or stop by the range weekend afternoons and see Randy, our key-master. If you have renewed your membership, you can exchange your indoor key for the new one. If you are not renewing, please drop off your keys and we will refund your deposit by mail within a week.

## FEBRUARY MEETING MINUTES

Steve Andrews 2/7/12

### President's Report (Mike Tracy)

Platform on 14 is done, needs to be marked and have a seat and railing.

### 2nd Vice President and Webmaster's Report (Henry Bertram)

Beginning archery class is under way, good feedback received so far. Leroy Burke, the man who made all the signs on the range, is not going to rejoin the club. We should snap a picture of the platform on 14 and send it in to the range inspector.

### Secretary's Report (Steve Andrews)

No Report.  
 Treasurer's Assistant Henry states the club is solvent. The roof is an expense coming up, and that is anticipated, both financially and emotionally.

### Outdoor Range Captain's Report (Andy Sterbenz)

As noted in President's Report, 14's

platform is almost done. There are new target faces on 15-28, need to do 1-14. The steps to the 3-D shed are done, will make the pulling out and putting away of the animals easier. The practice range retaining wall has been re-staked, should be good thru the winter.

### Indoor Range Captain's Report (Jerry Granger and Cindee Damron)

Routine maintenance ongoing, no glaring issues. PLEASE DON'T LEAVE FOOD IN THE FRIDGE.

### KeyMaster's Report (Randy Redmond)

No Report.

### Old Business

1. M.O.U. with city is ready to sign. Copies are passed around to the members present. Henry moves, Randy 2nds that we sign the M.O.U. as written. We will vote after the members present have a chance to look through the document.

2. The due date to advertise the Stickbow in the Redwoods and the 3D in the Redwoods shoots (S/B3DiR) in the CBH/SAA newsletter draws nigh. The plan is for a quarter- page ad 2 months early, and a full page the month before. Henry Moves, Randy 2nds that we spend \$225 to do this. Unanimous approval. Henry will contact Sergey to see about some art work.

3. Brian reports he will be organizing things for the roof this Thursday or Friday, and hopes to be done next week. Thank You, Brian.

*New Business*

1. New members!
  - Jennifer Zajac and Douglas Olson with kids Christian, Patrick, and Hanna were so impressed by Jerry's class for their home school group that they have come to join the club. Yes, he is that good.
  - Glen Backherms has picked up a compound bow to hunt with, long-time gun hunter.
  - Joe Lucia is here with Dominick and Sydney, who really like archery. Joe likes to cook and is from Louisiana; also has done carpentry.
  - Russ and Ann Beggs were members in the past, and are back now. They have been practicing mounted archery with horse bows up north. Maybe a newsletter article in there?

As is our custom, we vote as to whether or not to have these folks as members in our club. The answer is a unanimous yes. Welcome.

2. Henry Moves, Randy 2nds that we amend the document retention policy to dispose of scorecards as soon as they are in a database or up on the wall. Brief discussion reveals no objections. Unanimous approval.
3. "Social Magic" and "Groupon" have contacted Henry about the possibility of making coupons available for lessons at the club. Henry will follow up and report in March.
4. Jerry would like the club to get a left-handed bow that is kid sized. Jerry Moves, Randy 2nds to approve Jerry \$150 to purchase.
5. The vote for the approval of the M.O.U. from old business is passed, with a lone dissent.
6. The temporary repairs to the bridge on 27 have started to go the way of all things. Andy will work up a plan and get back to the group. Andy will also be evaluating target huts for repair/replace.

*Event Calendar*
